I'm not going to try and cause any trouble for you as you navigate your new life and new girlfriend. I'm an adult and know that sometimes things just don't work. We didn't work, but I do want you to be happy with someone else. I hope you will want that for me and for me to be happy without any interference from you. I'm sorry it ended like this.. and I'm sorry that I was the only one who cared enough to say I'm sorry. You never cared and your not sorry, but that's done now. You made that decision and choice. I hope you have s wonderful life ahead of you and that you get all the things that bring you happiness. God bless and good luck. I will be just fine. I'm tough. I will get through this smoothly. Goodbye Joey. Goodbye to your kids and I hope they are successful in their lives. Good luck.
